

Studio Admittance Procedures

Step 1:

Please read the COVID-19 Health Screening Questionnaire and confirm you are symptom free.

If you answer yes to any of the questions, please leave the facility immediately.

Step 2:

Please take your temperature using the infrared thermometer.

If you read a temperature of **100.4** degrees or higher, please leave the facility immediately.

Step 3:

Please fill out the form. Be sure to include your contact information, date, time of arrival, and your initials.

This will aid in contact tracing should anyone present show symptoms or test positive in the future. We take your privacy and the protection of your data seriously. This information is stored and disposed of securely.
